The Journal of the Elisha Mitchell Scientific Society, 117(4), 2001, p. i–ii

CONTENTS OF VOLUME 117

Barman, E. H., Mary E. Blair, and *Merry A. Bacon.* Biology of *Ilybius oblitus* (Coleoptera: Dytiscidae) with a description of its mature larva and an evaluation of diagnostic characters for separation of southeastern *Ilybius* and *Agabus* larvae 81

Bellows, A. S., John F. Pagels, and *Joseph C. Mitchell.* Plant community composition and small mammal communities in old fields on Virginia's coastal plain 101

Buhlmann, K. A. and *G. Coffman.* Fire ant predation of turtle nests and implications for the strategy of delayed emergence 94

Burk, W. R. William Campbell Dickison (1941–1999): a tribute 90

Coker, J. S. Snow and ice storms effect on a Piedmont *Juniperus* virganiana population 217

Dodd, C. K., Jr., M. L. Griffey, and *J. D. Corser.* The cave associated amphibians of Great Smoky Mountains National Park: review and monitoring 39

Ford, W. M., M. A. Menzel, T. S. McCay, and *J. Laerm.* Congtiguous allopatry of the masked shrew and southeastern shrew in the southern Appalachians: segregation along an elevational and habitat gradient 20

Fullerton, A. H. and *B. T. Watson.* New Distributional records for two non-indigenous and one native crayfish in North Carolina 66

Graves, G. R. Crayfish-processing behavior in the king rail (*Rallus elegans*) 71

Krings, A. North Carolina State University herbarium (NCSG): a brief history and a preliminary overview of the collections 224

Lee, D. S., J. A. Gerwin, and *R. B. Browning.* Specimen documentation of unusual, and previously unrecorded birds from North Carolina 123

Lindsay, S. D. and *M. E. Dorcas.* Effects of cattle on reproduction and morphology of pond-dwelling turtles in North Carolina 249

Menzel, M. A., T. Carter, L. R. Jablonowski, D. L. Mitchell, J. M. Menzel, and *B. R. Chapman.* Home range size and habitat use of big brown bats (*Eptescius fuscus*) in a maternity colony located in a rural-urban interface in the southeast 36

Miller, K. V., B. R. Chapman and *K. K. Ellington.* Amphibians in five stands managed with growing season and dormant-season prescribed fire 75

Olagunju, A. O. Concepts of operational data mining algorithms for monitoring retention behaviors of personnel 46

Olagunju, A. O. Amazing results from reversed GCD algorithms 161

Owen, S. F., M. A. Menzel, W. M. Ford, B. R. Chapman, K. V. Miller, J. W. Edwards, and *Petra B. Wood.* First summer record of a female Indiana bat, *Myotis sodalis,* in West Virginia 132

Platt, S. G., C. G. Brantley, and *T. R. Rainwater.* Canebrake fauna: wildlife diversity in a critically endangered ecosystem 1

Porter, H. J. and *F. J. Schwartz.* Mollusks associated with "Ghost fishing" trawl netting collected off Beaufort Inlet, North Carolina 274

Ray, D. F., E. C. Bolen, and *W. D. Webster.* Characteristics of a barrier island deer population in the southeastern United States 113

Reeves, W. K., F. E. Wiley, and *K. D. Cobb.* A state record for *Oligacanthorhynchus tortuosa,* with a review of the primary literature 258

Rice, A. K., T. L. Roberts IV, J. G. Pritchard, and *M. E. Dorcas.* Historical trends and perceptions of amphibian and reptile diversity on the western Piedmont of North Carolina 264

Ritzi, C. M. and *M. K. Clark.* New ectoparasite records of bats from North Carolina 135

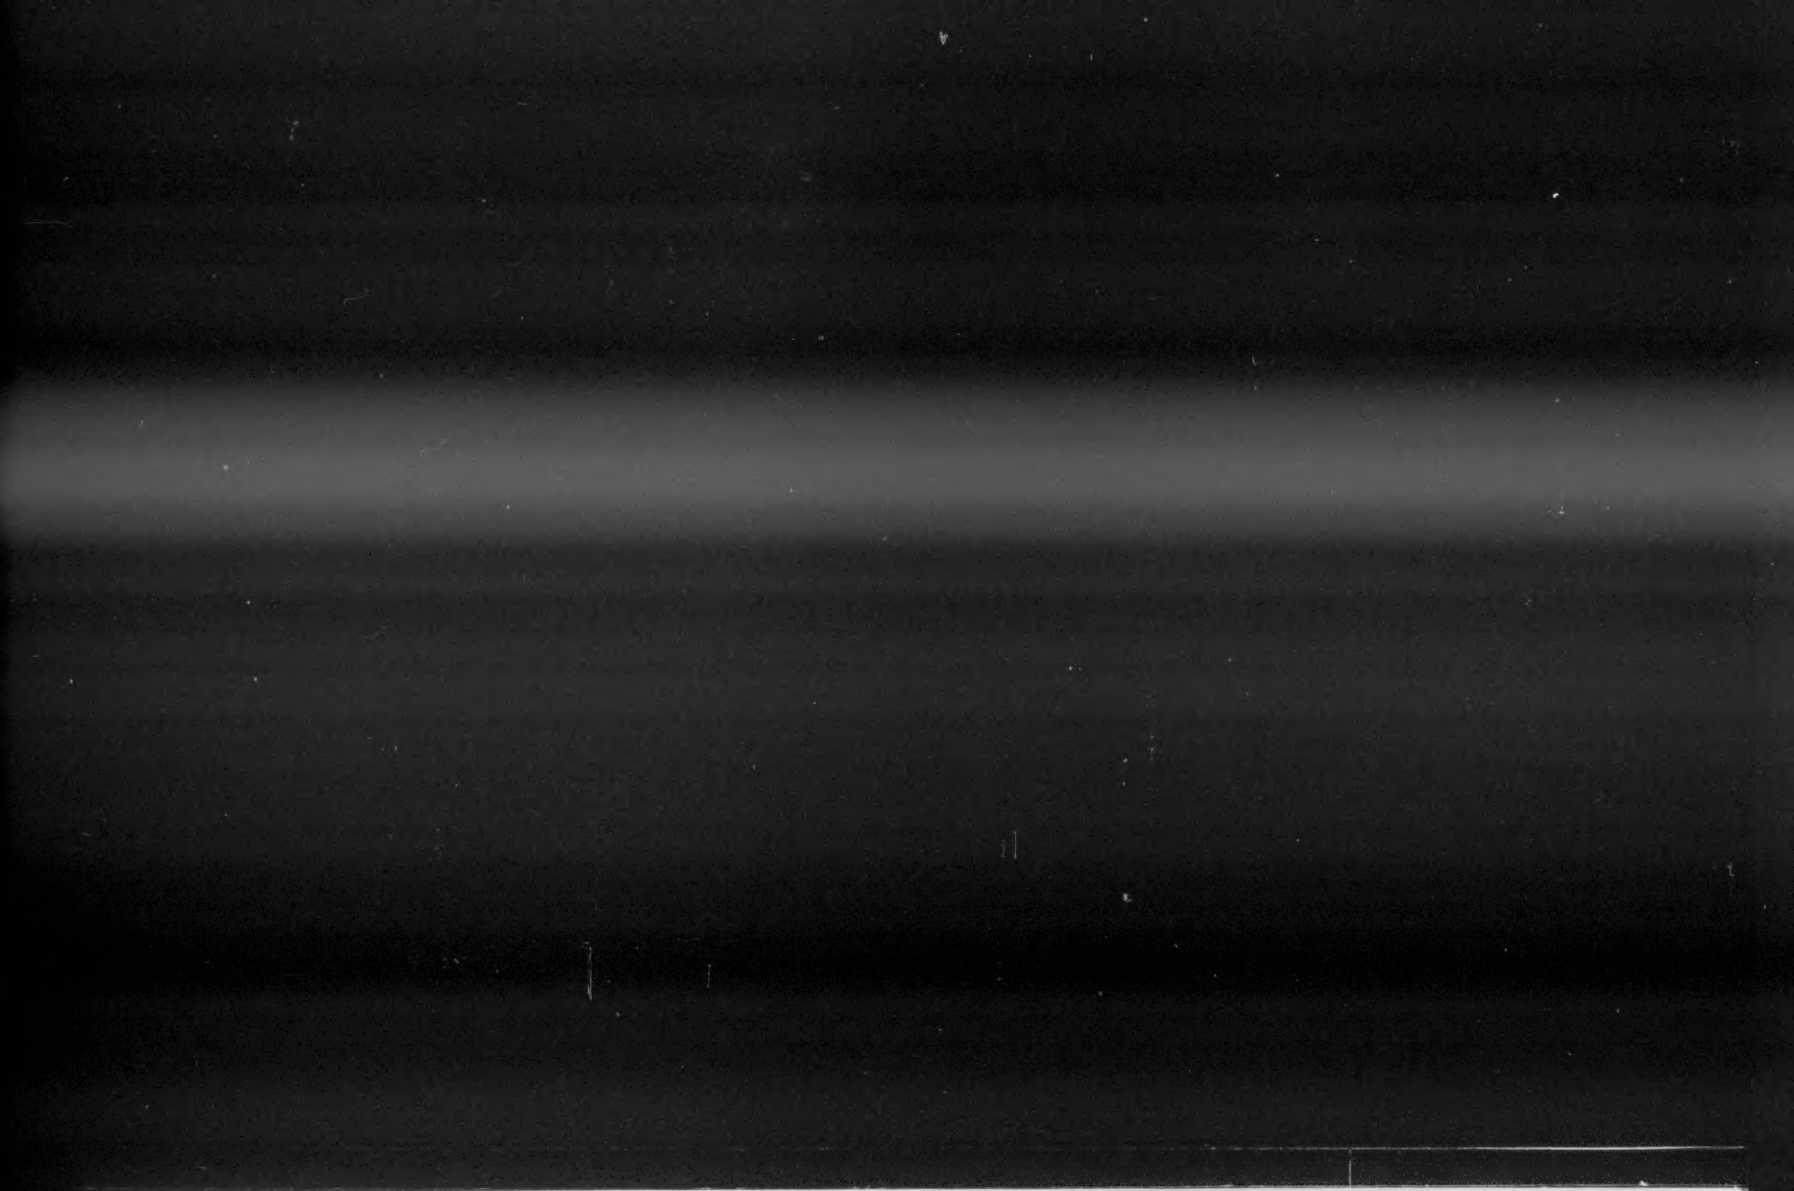
Schwartz, F. J. Freshwater and marine fish family hybrids: a worldwide changing scene revealed by the scientific literature 62

Schwartz, F. J. Deformed bluefish, *Pomatomus saltatrix* (family Pomatomidae) from North Carolina 73

Schwartz, F. J. Fishes of the genus *Equetus* (family Scaenidae) in North Carolina 128

Schwartz, F. J. Pufferfishes, genus *Lagocephalus* (family Tetraodontidae) from North Carolina 280

Schwartz, F. J. Sea catfishes (family Ariidae) frequenting North Carolina waters 286

Schwartz, F. J., G. W. Safrit, Jr., J. B. Purifoy, and *R. B. Churchill.* Age, food, sex, seasonal occurrence and distribution of the silver trout, *Cynoscion nothus* (family Scaenidae), in North Carolina waters 150


Troyer, J. R. The Hyams family, father and sons, contributors to North Carolina botany 240
Webster, W. N. and *P. B. Spivey.* Pygmy shrew, *Sorex hoyi* (Insectivora: Soricidae), in North Carolina 29
Proceedings of the ninety-eight annual meeting of the North Carolina Academy of Science, Inc. 24–25 March 2001 at the University of North Carolina-Greensboro at Greensboro, North Carolina 290
Abstracts of papers presented at the Senior and Collegiate Academy sessions, 24–25 March 2001, part of the North Carolina Academy sessions held at UNC-Greensboro, Greensboro, NC 169
Index to authors of abstracts of papers presented at the Senior and Collegiate Paper Sessions held 24–25 March 2001 at UNC-Greensboro 214
